# The city that has it all

## Culture

Madrid boasts over 70 museums and art galleries – including the world-famous Prado and Reina Sofía museums - theatres, cinemas, world class architecture, and a vibrant music scene. You will never be short of cultural offerings.

## Nightlife and shopping

There's something for everyone in cosmopolitan Madrid. From a relaxed sidewalk café in the Plaza Mayor to a sophisticated roof-top bar with views over the city, or maybe all-night dancing in one of the many clubs, followed by hot chocolate and churros in the early morning; you will have the time of your life. Savour Madrid's world-class gastronomy, from traditional tapas bars to cutting-edge dining experiences.

All the top international brands await you, whatever your style. Premier shopping streets such as Gran Vía and Calle Serrano, malls full of shopping and leisure options, and street markets with artisan boutiques offer something for everyone.

## One of the greenest cities in Europe

With beautiful parks such as the Retiro or Casa de Campo, tree-lined boulevards, kilometres of riverside gardens, and snowy mountains less than an hour away, nature is possibly Madrid's best kept secret. With approximately 300 days of sunshine each year, you'll have plenty of opportunities to enjoy hundreds of kilometres of walking and cycling paths, along with a wealth of other outdoor experiences.

## What do our students say?

I was truly delighted with my language stay, even if it was only for a week. During that time, I learned a lot thanks to the experienced teachers and the excellent method unique to IH Madrid. I highly recommend staying with a host family for a complete immersion experience. It was a fantastic stay in terms of language, culture, and human connection!

Britta, France

Madrid is the most welcoming city in the world. The friendliness of the people made my weekends, giving me the best memories and touching my soul. I believe that life's journey is best measured in friends rather than miles, and I made a lot of friends from different countries at IH Madrid.

Gabriella, Italy

I ❤️ IH Madrid. They teach in themes and incorporate grammar, vocabulary, culture and conversation. I started here from level A1, return once a year and am now B2. The teachers are warm, lively, beyond knowledgeable, and the students come from all over the world. It is an incomparable experience.
